

This Special Needs Registry is designed to help emergency responders locate and safely evacuate people who could find it difficult to help themselves in the event of a major disaster, such as a hurricane.

Emergency responders need to know where you are and what special help you might need to assist in helping to evacuate you quickly and safely.

Complete this form for you or anyone you know who may need assistance in an evacuation. This information is considered CONFIDENTIAL. No information will be intentionally shared with anyone other than the emergency responders and participating agencies. Mail completed form to: Your Town's Office of Emergency Management.

Personal preparedness is at the heart of public safety and emergency response – before, during, and after a disaster. Advance planning and preparedness is especially important for People with Special Needs, which includes anyone who may find it difficult to self-evacuate because of a physical or cognitive limitation, language barrier, or lack of transportation - particularly if family, friends, or caregivers are unavailable to help them during a crisis.
